

Connecting to the Art History Server on a Macintosh

Using Campus Computers

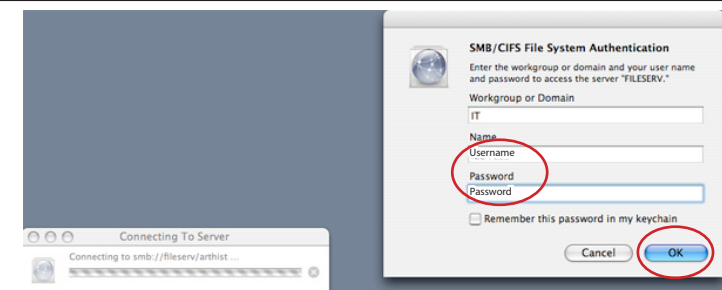

This only works on campus computers

1. From the desktop
Select the "Go" pull-down
Choose "Connect to Server"

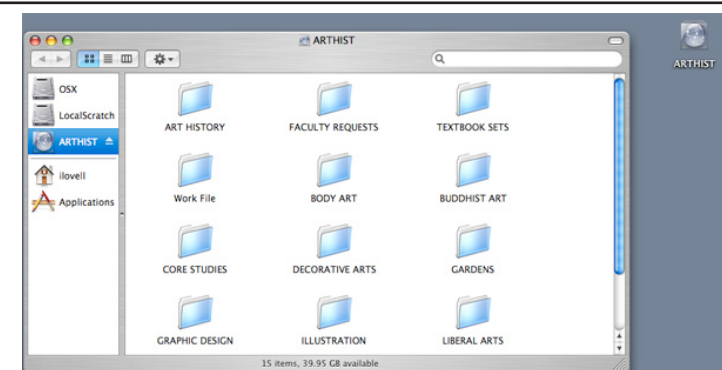

2. Enter the server's address
"smb://fileserv/arthist"
or choose it from your favorites

Then click "Connect"

3. Under Name
Enter your ringling username
Under Password
Enter your ringling password
Then click "OK"

4. The Art History share will show up on your desktop and you are free to navigate and copy as you please
