airPlay

Press the select button on the input switcher to choose Input 3.

Bring up the control center on your device by swiping up from the bottom area just below the dock

Tap the  AirPlay button and select CJ 105. Slide Mirroring to "ON"

If this is your first time using the apple tv you will be prompted to enter a password. Contact avservices@ringling.edu if you need the password.

When finished turn off AirPlay mirroring. From the AirPlay menu and select iPhone or iPad to Turn Off AirPlay Mirroring.

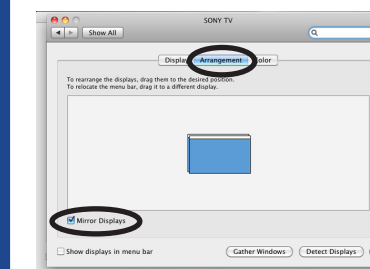

QUICKSTART GUIDE

mac system preferences

If image isn't displaying properly launch System Preferences either from the dock or Apple Menu. Click the "Displays" icon under Hardware

To clone your desktop image to the projector check "Mirror Displays" under the arrangement tab. If you do not have an arrangement tab click hold down the \square option key while you are in the display pane.

input switcher

On the wall next to the av cart select the correct input

- 1 = Notebook
- 2 = Teacher's station Mac
- 3 = Airplay Apple TV
